Linda,

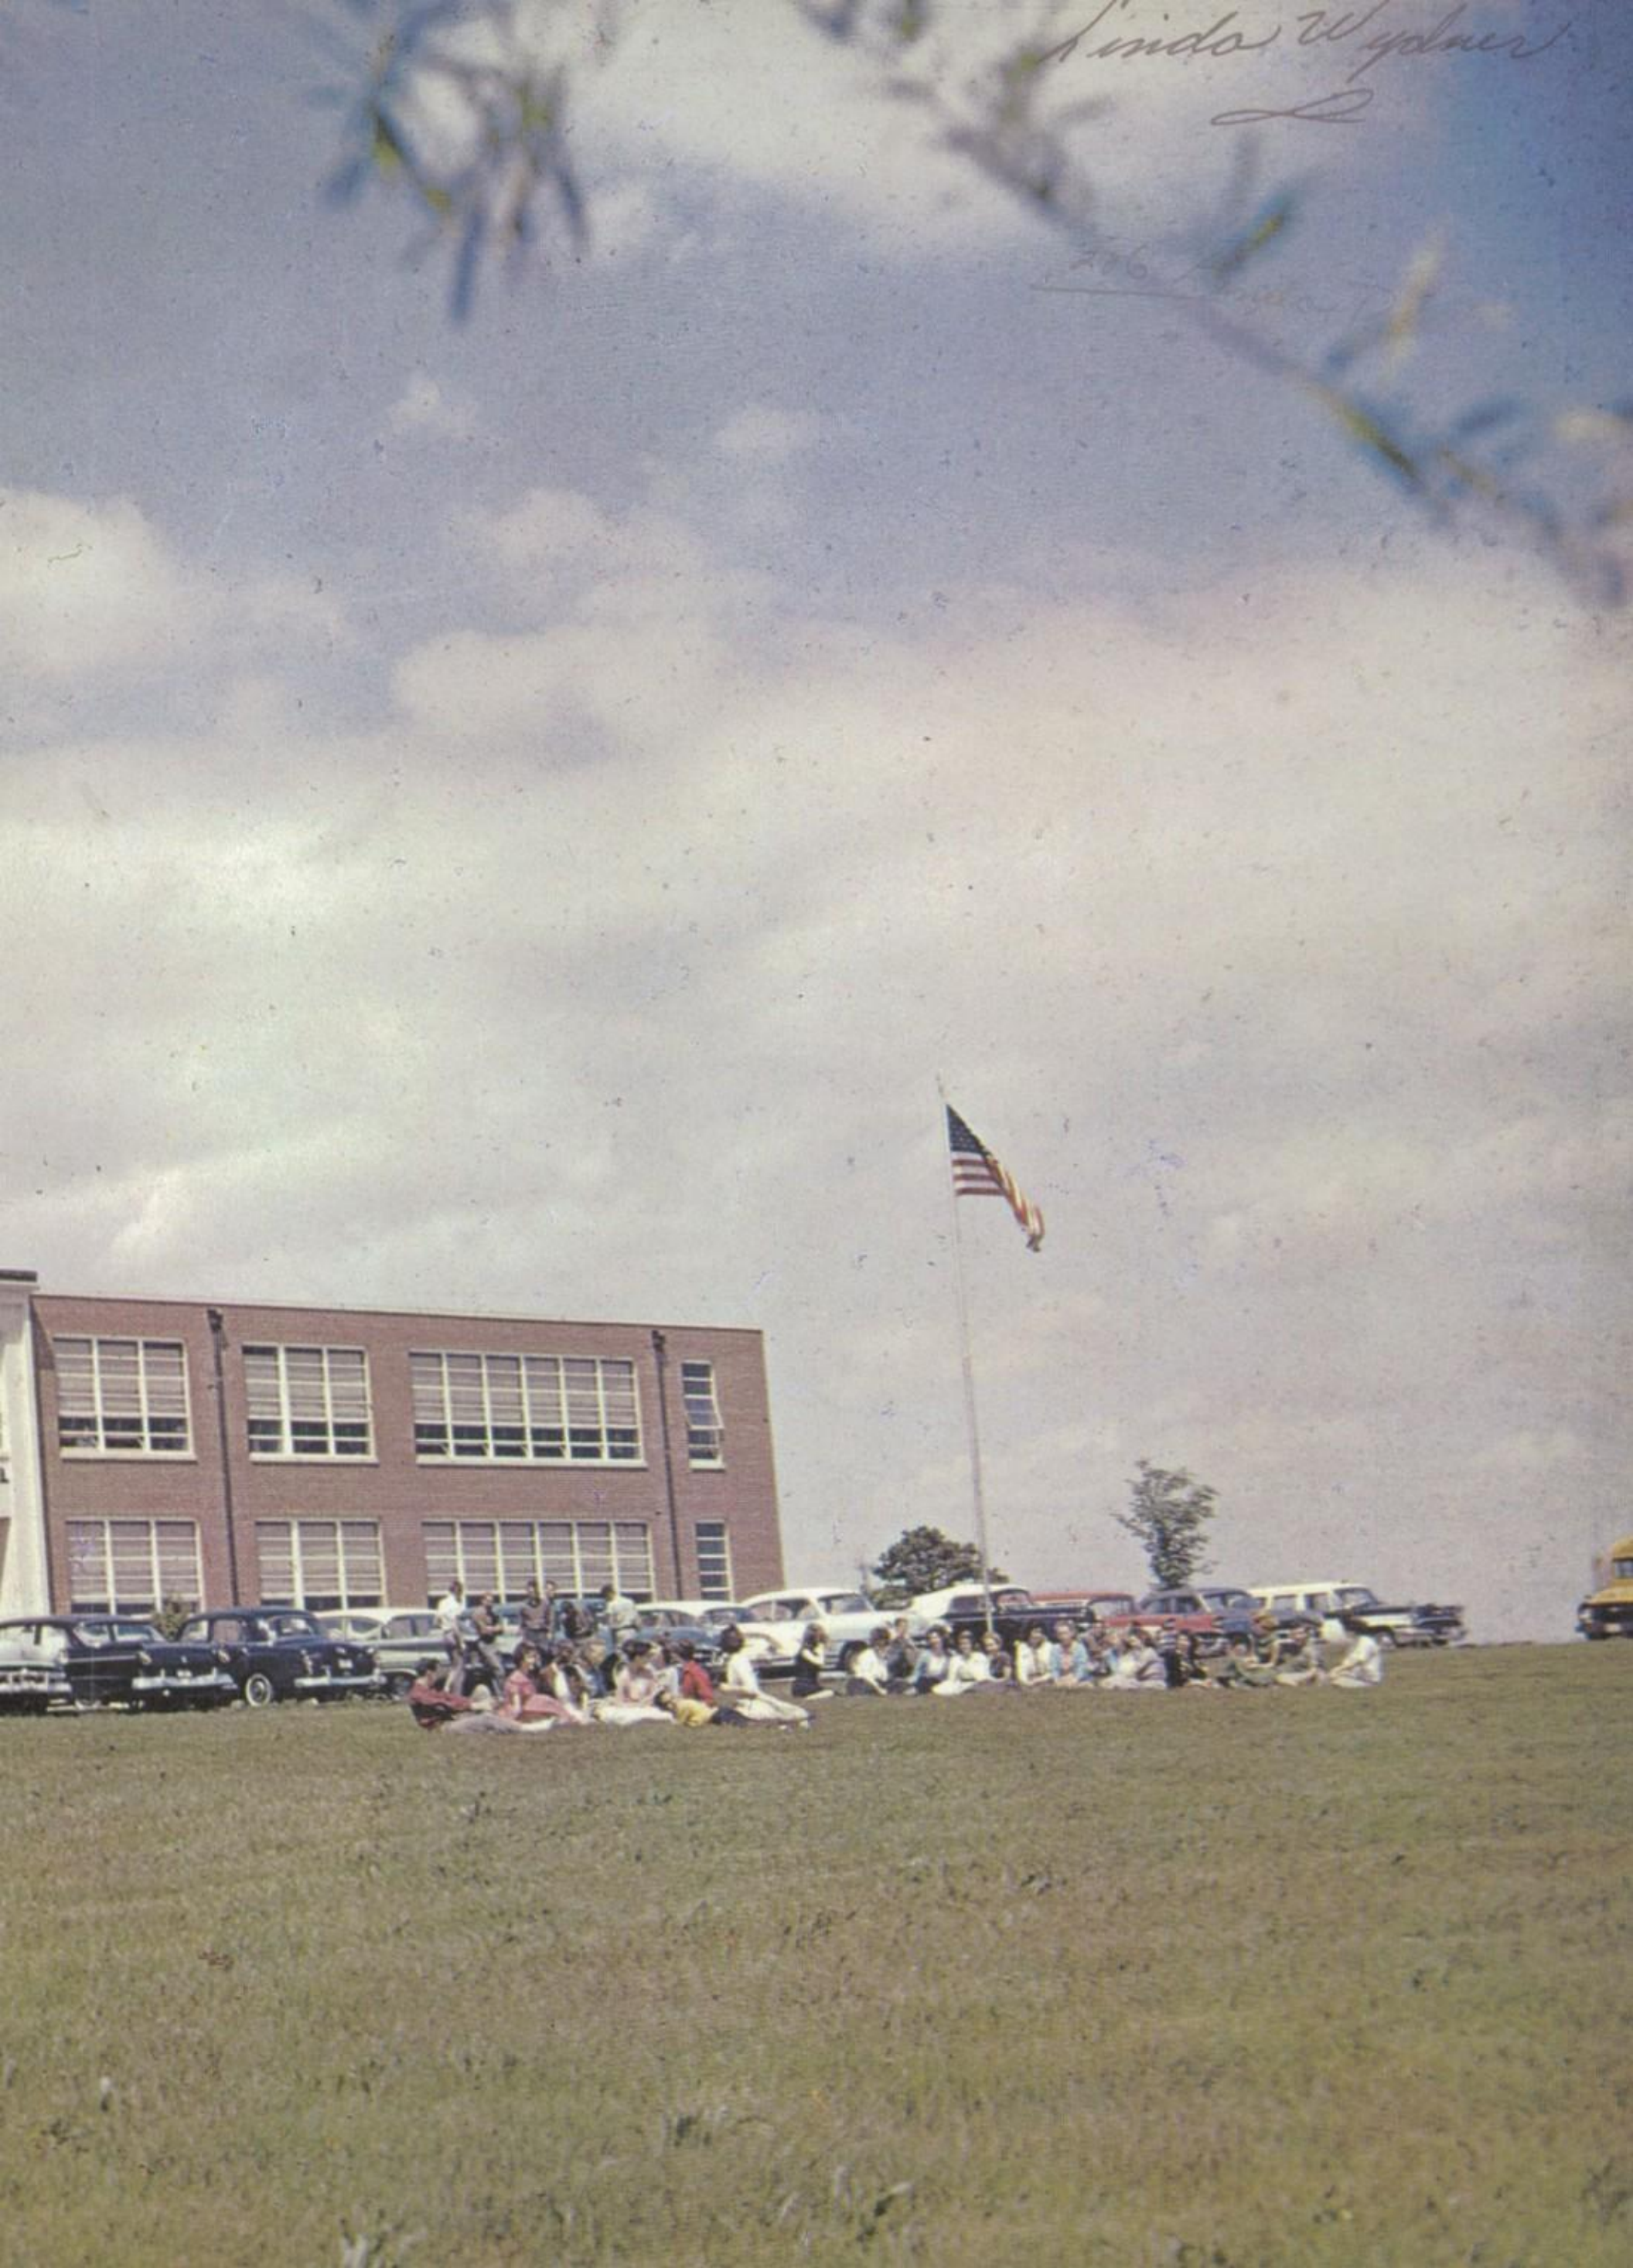

I have really enjoyed knowing you all these years and going to school with you. Remember the football games - there are so many memories. I don't think I will ever forget any of them. You are a very sweet and cute girl who deserves the best of luck. Happy birthday - may you have many many more. Keep Wm. Campbell under control next year. Fare ya!

Linda, (Willie),

I've enjoyed going to school with you the past year and I am looking forward to the next year. Remember the long talks we had at the Dairy Bar on certain things. Never forget the times I called you when I was suppose to have been working. Remember the times when Willie called you up. Don't forget the time he hung up on you. Ha. Ha! Someday I hope to find out what Carl told you Willie and I said, although I don't think it was true.

As I have said, "I've really enjoyed knowing you the past year." You're a very nice girl. The only thing you have done to disappoint me is to tell Willie you didn't want to go steady and be his girl. That broke his heart. With your winning smile and personality I know you will reach the ladder of success. Best of luck to a person who deserves it at W.C. and in later years to come.

a friend always,
Charles V. Beauchamp

P.S. I'll put this just to use a hold page.

Best wishes to you and Willie Morton or that special someone forever!

William Campbell High School—Founded 13 Years Ago

WILLIAM CAMPBELL HIGH SCHOOL

William Campbell High School, an accredited five-year high school, is located on Highway 501, Naruna, Virginia. It is a consolidated high school with an enrollment of 454 students from Brookneal, Gladys, and Naruna. There are 23 faculty members. Mr. James E. Strickler has served as principal of the school since its founding thirteen years ago in the fall of 1951. At that time 251 students were enrolled and of the 16 faculty members, 9 remain on the faculty list today. (Mr. J. J. Riegel, Mr. Dennis Riddle, Mr. George Goodman, Jr., Mrs. Christine Crabtree, Mrs. Dorothy Fore, Mrs. Myrtle Fore, Mrs. Elsie Payne Guthrie, Mrs. Myrtle Straw,

Mrs. Arline Whitlow).

The school is named for William Campbell, a general who distinguished himself because of his heroism in the battle at King's Mountain during the Revolutionary War.

The main building consists of 14 classrooms, 3 science laboratories, a library, art room, music room, home economics department, cafeteria, gymnasium, guidance room, and offices. The elementary building, directly behind the high school, and the agriculture building, located to the right of the main building, complete the school scene.

Linda,

First of all, I guess we will just have to remember our chats at the lunch table. Boy, I bet some people really had burning ears! Also remember our chats on "you-know-who" and thanks for putting in a good word for me, although it didn't work. Who cares?? How about our English class, I know you won't forget that because of a certain person.

Roderica Ellington

Linda,
Well, I guess I should
say something good
about you, so here goes
"something good." We
have really had a
lot of fun this year.
You are a wonderful
girl and I hope that
you go far in life.
Good luck always!

Barbara G.

Alto Scott

Linda,
This has really been
a great year knowing
you. I'll always remem-
ber all our talks and
discussions at the lunch
table and all the times
like now that we
have invaded our
homeroom instead of
staying where you
belonged. Here's wishing
a real sweet and cute
girl the best of every-
thing. Hope you get
that certain someone.
Oh! Watch Rita she's a
bad influence! HA HA
Love ya,
Peggy

Linda,

I don't know where to start because we have been together and done so much. What we haven't don't just isn't worth doing is it?

We were friends in grade school but I guess our friendship really got started when we were in the seventh grade and it has been growing stronger ever since.

Remember the night a bunch of us girls spent the night with you and camped out. Nobody got any sleep. As a matter of fact I was ill the next day. I think I ate too much and didn't sleep enough.

Remember all the teenage dances we went to and the baseball and basketball games.

We simply mustn't forget to mention the carnivals that we went to and all the Sunday afternoon movies we went to see. How about Southern Pacific!

Let's don't forget last summer when I went with you to the pools. I hope what Carl B. said wasn't true. Remember the night we took our bathing suits down there and dressed and I left something. We laughed about that until I cried.

Linda, I think the best vacation I ever had was last summer when you went with us to Colio Point. I enjoyed having Mary too. We really ate, sang to ourselves and played cards that week didn't we. We did layout in the seen some. But you and I had to go "hunting" up to the island at least twice a day. How about the time we stayed so late, the last night we were there and Daddy came after us.

We also had so swell times at Clarksonville and Bugs Island. We have got to learn to ski yet, now

Linda I don't know anyone I had rather have for my closest friend than you. You have been a true friend all the time and not a part time job. There is no sweeter kinder person I know than Linda to you just stay yourself & I know that your future will be bright, happy and successful.

Here's wishing the very best to a great friend and I'm looking forward to being friend and sharing more pleasant experiences with you in the future.

I hope you get that special someone and when you do, don't let him go.

Love always,
Nita

Linda

I guess it's all right to write on this page, looks like Nita wrote a book! I really have enjoyed being in school with you and hope to see you again next year. Remember all the crazy times we had at the lunch table and in home-room - I'll all ways remember the kind ^{life} ~~life~~ comes to my lock every day and nearly knocks me ^{over} on my head. One of these days I'll get you. Here's wishing a real success and wonderful girl the best of everything. May all your fondest dreams come true. Keep that wonderful smile and warm personality and I am sure your life will be happy. My writing is a little messy I'm nervous

Love ya!

Linda,

Here to begin with, how do you like what just happened in Spanish. All of that homework!

Don't you ever forget the good times that we had at the lunch table. I know the teachers think we are completely crazy. Remember the fun we had that day we went Bike riding. Man was that ever a hot ride, but we didn't have any better "brains". HA! Well, here's wishing the best of luck to a wonderful girl with a wonderful personality. I know you will succeed as a great Chemist. (Chemist Hydru at work) Best wishes.

Love Ya!
Peggy St.

Linda,

I really don't know where to start!
I really haven't gotten to know you until this year, but it has been a blast, hasn't it? Anyway, always remember the singing, shopping times we had in History, Español, English and I think that is enough! Always remember the bowling I almost took part in with you and Ben. I'm not going to tell you that you are sweet, nice, and cute because I don't lie! Truly though, I have enjoyed you crazy, funny, stupid way. Some of these days we might go bowling or something.

I'll never be able to forget "yucky", boy he's really something!

Always remember our crazy school days and our crazy doing whenever you are. If when we get it out of school and don't see each other often, I will always remember the wonderful person you are. Always stay the way you are and never, never change!

Best of luck and all the happiness life has to offer to one of the nicest friends I have.

Love ya!
Peggy St.

Linda,
I don't think
anyone will ever
forget the history
classes to
you? The next of luck
in the future to a
really nice person.
Rupat Lamer

Linda,

I have enjoyed knowing you this
past year! At church and at
school we've had some good
times to remember. Stay as
nice + as friendly as you are
and you shall have no
wories.

Love Always
Sandy Ray

Linda,
I have really
enjoyed being in
school with Linda.
Best Wishes always to
a nice girl. Donna Sue

Linda,
Lots of Luck in
the future to a
nice girl.
Joe

Linda,

If you would slow down your
driving your car wouldn't look like a
blue dot. Good luck and best wishes
to a nice girl in the future,

Charles Wingfield

Linda
I have enjoyed
home room a
history with you
this year. Good
luck to a very
nice girl.
Bobby Taler

Linda,
Hasn't school been wonderful? Knowing a "gal"
like you has helped. You're always so friendly +
easy-going. Never forget dear old "Sizemore's class"
+ all the crazy things said in there. I'm
looking forward to being a senior with you. Love ya!
Linda

(signed) V.M.
Linda,

This year has really been great hasn't it. Remember all the crazy chats at the lunch table about anything and everything. And don't forget the day I fell. Boy!! I was sore for a week. May Day last year was a ball wasn't it? Remember how you and I danced-like professionals. HA!! I don't have any classes with you this year, Linda, and I sure miss it. Remember all our crazy times last year in Phys. Ed. and the times we danced.

Well, here's wishing one of the sweetest, nicest and cutest girls I know lots of success and happiness in the future. I hope your fondest dreams come true and hope you get that "right" certain someone. Best of luck always.

Love ya!!

Sinde,

I have really enjoyed knowing you all these years. Remember that day you, Rita and I left school early to go to Lynchburg and you and Rita laid down in the seat so no one would see you. Always remember that old Chemistry class and all the fun we have had there. Best wishes always to a real sweet and cute girl. "Love ya"
